Dear Colleagues,

WSAC previously issued [permissive state aid Satisfactory Academic Progress \(SAP\) guidance](#) for winter quarter. We are extending that guidance for spring 2020 semester/quarter as well.

We are also permitting alternative spring 2020 SAP policies if a college has a specific way they want to mitigate COVID-19 impacts to students. For example, aligning their state policy to their federal policy. To do so, you must submit a copy of the policy to Jeffrey Powell at JeffreyP@wsac.wa.gov.

As the COVID-19 pandemic continues to unfold, we are actively working to address issues that affect our students and aid administrators. Please refer to [Resources for Financial Aid Administrators COVID-19 reference page](#) for previously issued guidance.

Please do not hesitate to contact us if you have any questions.

Thank you,
WSAC Student Financial Assistance Division
